Catering Trailer Hire

3 YEAR RENT & BUY DESCRIPTION

Our rent & buy scheme has helped many people start out in the catering business and is designed to allow you to start up in this exciting business without the significant outlay of purchasing a catering trailer. You initially only commit to 12 months hire and when you are happy that your new business is working transfer to a 3 year commitment and brand new trailer which will be yours at the end of the 3 years.

1. You originally commit to take a hire trailer for 12 months. Anytime after 8 months when you are comfortable that your business is working and you are enjoying it you have the right to convert to a new trailer. This trailer will take approx 2 months for delivery. At this point you commit to 3 years hire.
2. When the new trailer has been hired for 3 years the hirer has the right to buy the trailer for the equivalent of 1 months hire at the end of the rental period.

The following conditions must have been met to take advantage of the Rent to Buy scheme.

1. On the original hire agreement the 3 year Rent & Buy Scheme must have been selected as an option.
2. The Hirer originally commits to a minimum of 12 months hire and 36 months hire when and if new trailer ordered.
3. Monthly up front payments must be paid by standing order with the exception of the first month which must be paid in cash upon delivery of the trailer.
4. A pre used trailer is delivered on day one, within 12 months or at the earliest at the end of month 8 the new trailer length can be decided and at the end of the next 4 weeks the internal spec must be agreed. The new trailer will be delivered during the third month after deciding the length. This new trailer is the one that is available for purchase at the end of the 36 months.
5. All prices are based upon our standard specification trailer, spec available on our website. If a larger trailer or more internal equipment is ordered this will be reflected in the monthly payments.
6. To take advantage of this scheme you will have to give a £2,500 deposit and then pay monthly upfront. We do not require a credit check but you will need to show a UK passport, 2 utility bills and a driving license.
